

THE PATCH KING

Iron-on Patch

HEAT ADHESIVE PATCHES

PT

*Os requintados e elegantes
bordados e emblemas são
as melhores e mais
valiosas escolhas para
coleccionar e se auto-definir,
que oferece um toque
especial nas roupas, bonés,
sacos, mochilas, calças
e muito mais.*

Remendo de passar a ferro

* Para remendar e embelezar rapidamente os seus têxteis

* Para cozer ou passar a ferro

Material: 65% poliéster, 35% algodão.
Aquecer o ferro a vapor à temperatura máxima.
Cobrir os remendos com um pano seco e fino.
Fazer pressão sobre o tecido durante 25 segundos.
Após o arrefecimento, voltar do avesso e repetir o procedimento. Voltar do avesso antes de lavar.
Se o remendo se soltar, passar novamente a ferro.

GB

*The exquisite and stylish
emblems and embroidery are
the best and most valuable
choice for self-defining and
collection, providing a very
special touch, especially on
clothing, caps, bags, jeans,
backpacks, and much more.*

Iron-On Patch

* To quickly mending and beautify textiles

* Sew on or Iron on

Material: 65% polyester, 35% cotton.
Preheat steam iron to the maximum temperature.
Cover the patch with a thin and dry cloth.
Exert pressure on the cloth for 25 seconds.
After cooling, turn the inside out and repeat the procedure. Turn the fabric inside out before washing.
If the patch is released, iron it again.
